

BURSARY APPLICATION

WFWI used to award Denman Bursaries at the Annual Council Meeting from funds we had been given. We still have over £1,000 in the Grace Methuen Fund to allocate.

Denman online has now become the WI Learning Hub (see separate flyer), and is free of charge to all members, which means WFWI can now issue these funds to WIs for use towards educational events run by the Federation or by your own WI.

We would like to invite all WIs to apply for a share of this funding. Monies will be transferred via BACs to your WI bank account.

To apply, please complete the following application form and return it to WI House for your WI to be considered for inclusion.

Monies will be shared equally across all requests to ensure fairness should the number of applications exceed the existing funds. If funds issued are not used by 31st March 2025 they must be returned to the Federation.
